DISCOVER DENMAN ISLAND

Four provincial parks and an evolving network of green spaces cover a quarter of Denman Island's land mass. Walk the trails through the 60 ha. **Central Park**, observe the rare ancient forest ecosystem of the **Lindsay Dickson Nature Reserve**, and discover the newly formed Provincial Park at Chickadee Lake. A good low tide walk is to take the stairs to Morning Beach and walk across, at low tide, to Tree Island, aka **Sandy Island Provincial Marine Park**. On the southern tip of the island, wander to the ocean through old growth Douglas fir to **Boyle Point Provincial Park**. Watch the eagles and sea lions play under the watchful beacon of Chrome Island lighthouse. Or have a swim at **Fillongley Provincial Park** with its sand-shell beach, small campsite, and forested hiking trails.

Visitors to our islands should expect to find deer on our roads. Please drive accordingly.

Hornby bound visitors, your B.C. Ferries Thru-Fare Ticket allows you a free stopover on Denman Island. We invite you to explore what our island has to offer: world class art studios, exciting festivals and events, good food offerings, and beautiful parks & trails. So come spend a day, or a week, and enjoy two islands for the price of one!
